Item for Sale

**SAW HORSE
Bracket Kit**

\$45

**Plus Postage
\$25**

**or collect
from the Shed**

This kit includes two strong steel brackets, bolts, shims and full instructions to complete the finished saw horse. You will need to cut 6 pieces of timber – four legs (45mm x 70mm) a spine (35mm to 43mm thick) and a top (to suit your requirements). Timber lengths can be varied to give the saw horse the height and width you need.
